

Minutes

The Physical Therapy Committee of the Board of Medical Licensure and Supervision met on May 1, 2008. The meeting was held at the office of the Board, 5104 North Francis, Suite C, Oklahoma City, Oklahoma in accordance with the Open Meetings Act and the Administrative Procedures Act. Members present were:

Staci Freudiger, PT, Chair
Mary Staley, PT, Vice Chair
Suzanne Reese, PT
Randy Titony, PTA
Craig Gavras, Public Member

Others present included:

Robyn Hall, Director Licensing
Kathy Plant, Executive Secretary
Patricia Podolec, Assistant Attorney General

The meeting was called to order at 9:00 a.m. The minutes from the February 14, 2008, Committee meetings were reviewed. Mr. Gavras moved to approve the minutes. Ms. Staley seconded the motion and the vote was unanimous in the affirmative.

TRAVIS CALTON appeared in support of his application to sit for the Physical Therapist examination and for licensure pending passing the exam. Elizabeth Scott, Assistant Attorney General, briefed the Committee on Mr. Calton's substance abuse history and presented an Agreement for licensure. She advised that the Agreement was not a disciplinary action but would allow the Board to monitor Mr. Calton. The Committee discussed requiring Mr. Calton to work under direct supervision for a time. Also discussed was his obligation to advise any Physical Therapist Assistant he may supervise that he was being monitored by the Board.

Ms. Reese moved to amend the Agreement, adding a requirement that Mr. Calton work under direct supervision for the first year. Additionally, she moved to add the requirement that he disclose the Agreement to any PTA that he supervises. Ms. Staley seconded the motion and the vote was unanimous in the affirmative. Mr. Gavras moved to recommend approval of the application to sit for the exam. He further moved to recommend approval for licensure under terms of the Agreement pending passing the exam. Mr. Titony seconded the motion and the vote was unanimous in the affirmative. (See attachment #1)

KYMBERLI RAE CHEEK appeared in support of her application for reinstatement of Physical Therapist Assistant licensure. Ms. Cheek had been out of practice since 1999. Ms. Cheek testified regarding her activities since leaving practice. She presented a letter of support from her supervisor. Ms. Reese moved to recommend approval of the application pending satisfactory completion of one year of practice under direct supervision, passing the jurisprudence exam and completion of 80 hours of continuing education (half the hours in Category A) to be completed prior to end of the current compliance period in addition to the 30 hours required for this period. Mr. Titony seconded the motion and the vote was unanimous in the affirmative.

ALYSSA NEAL appeared in support of her application to sit for the Physical Therapist Assistant examination and for licensure. Ms. Reese recused from consideration of the application. Ms. Neal had failed the PTA exam twice. Her plan of study for the exam was reviewed. Mr. Gavras moved to recommend approval to sit for the exam and recommend approval for licensure pending passing the exam. Mr. Titony seconded the motion and the vote was unanimous in the affirmative (with Ms. Reese abstaining from the vote).

DARIN GOLDSMITH appeared in support of his application to sit for the Physical Therapist examination and licensure. After reviewing the application, Mr. Gavras moved to recommend approval of the application. Ms. Reese seconded the motion and the vote was unanimous in the affirmative.

NICHOLAS PINGRY appeared in support of his application to sit for the Physical Therapist examination and for licensure. Mr. Pingry's ex-girlfriend had filed an emergency protective order against him. The hearing on the emergency order was to be held May 5, 2008. After discussion Ms. Reese moved to recommend approval to sit for the licensure exam. She further moved that prior to consideration of his licensure application at the August 28, 2008 meeting of the Advisory Committee, Mr. Pingry should have letters submitted from his clinical instructors and college professors regarding his behavior and professionalism. Mr. Pingry need not appear at the August Committee meeting unless there is significant extension of the protective order. Mr. Titony seconded the motion and the vote was unanimous in the affirmative. Mr. Gavras moved to recommend, if the protective order is dismissed at the May 5th hearing and the requested letters of support are favorable, the application for licensure should be submitted to the full Board on May 15, 2008 for approval. Ms. Reese seconded the motion and the vote was unanimous in the affirmative.

RABIYYAH HAZZIEZ appeared in support of her application for Physical Therapist Assistant licensure. Dr. Hazziez had failed the PTA exam five times. Dr. Hazziez had been issued a temporary letter to practice in Oklahoma from February 2006 to

November 2006, even though she had failed the exam in Missouri three times, because she had answered “no” to the question on the application regarding exam failures. After expiration of her temporary license, Dr. Hazziez attended chiropractic school and became a licensed chiropractor in 2005. After passing the PTA exam for New York on the sixth attempt, Dr. Hazziez had sought Oklahoma licensure. The Committee was concerned that she may have trouble separating her role as a PTA from that of a chiropractor. Additionally, they were concerned about the failure to disclose the examination history.

Mr. Gavras moved to enter into Executive Session. Ms. Reese seconded the motion and the vote was unanimous in the affirmative. Mr. Gavras made the motion to return to open session. Ms. Staley seconded the motion and the vote was unanimous in the affirmative. No votes were taken during Executive Session and only the application of Dr. Hazziez was discussed.

Dr. Hazziez testified regarding her examination history, her practice as a chiropractor and her reasons for wanting a PTA license. She stated she answered “no” on the application question regarding exam failures because she thought it asked if she had failed any exams in Oklahoma and did not pertain to the three failures in Missouri. Ms. Reese said she would like more information regarding Dr. Hazziez’ practice as a PTA and her employer’s understanding of her role as a PTA with reassurance that her duties had never and would never cross over into chiropractic. The Committee asked for a clearer explanation of her role as a PTA and her intention to work only as a PTA. Her supervising physical therapist would need to understand clearly that Dr. Hazziez would be working under his/her plans of care as a PTA. Ms. Freudiger suggested that she bring one of her supervising PTs with her to the August meeting.

Ms. Reese moved to table the application until the August Committee meeting in order to allow time for Dr. Hazziez to submit significant additional information to add some clarity to the discussion. Ms. Staley seconded the motion. The Committee discussed the temporary license and authorized its extension until the August meeting, noting to Dr. Hazziez that extension of the temporary letter did not guarantee issuance of a full license. The vote was called and was unanimous in the affirmative.

The Committee discussed proposed rule changes to **OAC 435:20-1-1.1. Definitions [AMENDED]** and **OAC 435:20-7-1. Supervision of Physical Therapist Assistants [AMENDED]** relating to supervision of PTAs. The rules submitted to the legislature had been withdrawn at the request of the Legislative Rules Committee when objections to the rules were presented by a few physical therapists. Virginia Harbour, PT and Cathy Wilson, PT were present for the discussion. Staff reported that a request would be submitted for a formal opinion from the Attorney General on whether a PT can delegate to a PTA that is not under his/her supervision. The discussion was tabled until the August 28th Committee meeting in order to wait on the Attorney General opinion.

Applications for examination, licensure and reinstatement were reviewed. Mr. Gavras moved to recommend approval of the following applications for licensure as Physical Therapists. Ms. Staley seconded the motion and the vote was unanimous in the affirmative.
